

## Distance-measuring sensors

Configurable by menu using a digital display

Heavy-duty variant with metal plug

90° angled head, M18 threaded sleeve

Two switching outputs, analogue output plus one switching output

Proximity switch in M18 plastic sleeve

The smallest M12 sensor in the world

Cuboidal design with lateral sound exit

Compatible with many optical sensors

Miniature design

Metal housing, compatible with many optical sensors

For use in the food and pharmaceutical industry

Level sensor in M22 housing with protective film

Ultrasonic transducer with protective film

High chemical- and pressure-resistant up to 6 bar

For customer-supplied evaluation with µP
